the FCC Forrest City SIS Department, Warden Anthony Haynes, Federal
Bureau of Prisons, USA; OTS Tracie Fenner, OTS Foreman, Captain Price;
RDAP Coordinator Daniel Neller and Ten Unknown Named SHU officers,
me using a recently developed technology known to the American
Public as "Remote Neural Monitoring" this technology allowed these
defendants to monitor, record, converse and harass Plaintiff continually
by making derogatory marks about his wiccan religion, invade his right
to privacy, seize and alter his thoughts, make him forget important
details and other things and generally to create discomfort months
after plaintiff was released from Federal Prison. These federal defendants
employed the South Side Salvation Army in Pittsburgh to harass plaintiff
Banks moves the court to appoint an expert on this technology
and to enjoin Defendants from this activity. Since Defendants' actions
were knowing, intelligent, purposeful and malicious Defendants are
liable to Banks in the amount of \$ Fifty million dollars along with
costs, interest and fees and punitive damages totaling \$ One Hundred
Fifty Million Dollars.

Wherefore, judgment should be entered for plaintiff and against defendant in the amount of one hundred fifty million dollars plus costs interest and fees. A Jury trial and evidentiary hearing should be ordered. Executed under the penalty for perjury.
